ALH GROUP

Specialist Polymers And Mechanical Products For The Gas, Water, Construction, Electronics And Telecoms Industries

About us...

Are you looking for expert polymers and mechanical products to meet your needs in the gas, water, construction, electronics, and telecom industries?

Look no further! We have the specialist products you need to get the job done right.

ALH Group has been a global industry leader for 45+ years, creating polymers and equipment to improve safety, productivity, sustainability, and customer satisfaction.

Our diverse group of companies, backed by our parent company Indutrade AB, continues to grow and expand across sectors.

DESIGN FOR LIFE. MADE IN BRITAIN.

ALH Group: UK-made products, innovation, engineering and a futureproof design ethos.

DEDICATED TO ADVANCING OUR FUTURE BY PROMOTING INNOVATION, PARTNERSHIPS, AND COLLABORATION.

ALH Group is a partner for innovative methods, safety, quality, efficiency, and customer benefits. Our team of engineers and chemists prioritise collaboration and entrepreneurship.

WE AIM TO HELP WITH TECHNICAL ISSUES AND ENSURE OUR CUSTOMERS ARE HAPPY.

ALH Group provides technical expertise, reliable sales services, product reliability and performance to prioritise customer satisfaction.

ALH Systems

Since 1976, ALH Systems has been dedicated to producing reliable mechanical and resin solutions for ensuring the safety of gas networks during maintenance.

The company distributes its equipment worldwide and provides a complete maintenance package to ensure smooth operations. This package includes essential services like flowstopping, leakage control, and reinstatement.

ALH Systems is a UK leader in Polyurethane and Epoxy resin, with highly skilled chemists and facilities for development, design, and manufacturing.
